1 уровень сложности: 1. Next week is our last lesson. Please review the old presentations, we'll do some activities to practice what we've learned during the course.

2. If you have time, check out the last slides of the lesson 11 presentation (the last lesson). You can find 10 common technical interview questions there. Think about how to solve the problems. Practice explaining your solution for each of these problems in English. Here's the presentation:
